

Third  
Annual

# Cardiogenic Shock LATAM Symposium

October 2 & 3 2025 Cancun, Mexico

## CLINICAL CASE CHALLENGE

Don't miss the chance to join your colleagues and submit your science!

Challenging cases may be submitted from April 15 to July 31 at 12:00 hours  
(Central Standard Time-Mexico)

The submitted clinical cases will be revised by our team, and the selected cases by our national and international experts will be presented in person.

Your clinical case should be clear, practical and highlight the decision making used to arrive at your diagnosis or treatment.

The symposium will design an interactive and educational presentation, with participation and feedback from our panel of experts.

The paper submitted for review will be limited to 2000 words and 3 key images.

Papers should be sent to the following email: [choquelatam2025@gmail.com](mailto:choquelatam2025@gmail.com)

Selected cases for presentation will be notified by e-mail no later than August 15, 2025.

The selected cases to be presented will be evaluated based on:

- Presentation (Clarity of the speaker, demonstrating learning points)
- Case management (Interdisciplinary collaboration, diagnostic features)
- Difficulty level of the challenging case

The participants will be acknowledged and receive a certificate in the closing ceremony.
